### New Governors Wanted

**Christ the King Primary School** is looking for new members of the Governing Body. The Governors are involved in many areas of school life, such as overall direction, aims, policies and priorities of the school, monitoring the school's overall direction, the content of the curriculum, and many aspects of the staff and learners.

Governors usually attend six governing body meetings per year, generally in the evening, and will also be expected to join sub-committees to deal with specific issues and areas of work. They work as a team and bring many skills, such as detailed knowledge or educational expertise, but also qualities and skills such as tact, judgment, common sense, a belief in raising standards and a real commitment to the school. Training and support is provided by the Local Authority.

As a Governor you can acquire transferable skills and experience that can benefit you both personally and professionally. Find out more from Mrs Miles at the school or Fr Matthew.

### The Paradox of Abundance

Over 800 million people go hungry each day. Yet the world produces over 4 billion tonnes of food and we only need 3.7 billion tonnes to feed everyone. From all this food produced, a third is wasted. See [www.cafod.org.uk/food](http://www.cafod.org.uk/food) for more information, including an invitation for parish groups to learn about the impact of our food with our Fix the Food System: a 7-station journey resource. Or you can contact CAFOD Wales ([southwales@cafod.org.uk](mailto:southwales@cafod.org.uk))

### **Positivity Planner: July**

The climate crisis has not gone away. We continue to stand with vulnerable communities who have contributed the least to climate change but are affected the most. Any solutions must include protections for the most vulnerable people and restore our planet for future generations. Visit [www.cafod.co.uk/climate](http://www.cafod.co.uk/climate) and sign the petition to hold the Government to account.
