**Croeso/Welcome to
St Brigid's, Christ the King
and St Paul's**

'I still haven't found what I'm looking for' is a famous U2 song. What are you looking for from life?

We put a relationship with God, and loving our neighbour, at the heart of our Christian churches.

If you are seeking hope, peace and joy, are returning to church or have moved into the area, or are simply curious, please take a moment to read this leaflet.

We welcome anyone of any or no faith, in person or online, to our active three Catholic churches.

What is Church?

Our Church community is a welcoming and friendly space in which we grow our relationship with God and our neighbours. It consists of:

- worship (including singing and music)
- prayer
- fellowship
- fun
- support
- community

Examples of Church range from baby and toddler groups, family services and hosting a food market, to film nights and fellowship via the 'Circle of Friends' and our Welcome Space.

It is also about sharing how God has touched peoples' lives. Watch our short videos of people of all ages and nationalities, inside and outside the church. People transformed in many ways.

Discover bereavement support and finding how to talk with God like you do with good friends.

Opening our doors

You are welcome to visit our churches.

Welcome Space

Our Christ the King church Parish Centre is open from 11am every Wednesday. It's the perfect opportunity to meet others, join in with different activities including crafts, singalongs, keep fit, reflexology treatments, listen to guest speakers, or just enjoy a cuppa and have a chat!

Having fun

There is a time and place for personal reflection and communal worship, but God wants us to also be joyous and to celebrate His Creation and time together! We do this in many ways including:

- Quiz nights
- Film afternoons and nights
- Baby and Toddler Group
- Children's Liturgy
- Junior Club
- Events (e.g. a day at the Races)
- Talks (varied topics and speakers)
- Trips (including pilgrimages)
